**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 19 You shall participate in the home confinement program for 60 days. You shall abide by all the requirements of the program, which will include electronic monitoring or other location verification system. You shall pay all or part of the costs of the program based upon your ability to pay. You are restricted to your residence with the exception of employment and treatment related purposes, as directed by the supervising officer. Any other absence requires advance approval of the supervising officer.

**CAUSE**

On February 23, 2010, Mr. Rodriguez reported to Pioneer Counseling for drug testing. A staff member reported Mr. Rodriguez was caught bringing a bottle of urine into the facility; apparently in an attempt to circumvent the testing procedure. When confronted, he left the testing center without providing a urine sample for testing.

On February 25, 2010, Mr. Rodriguez was scheduled to report to Pioneer Counseling for drug testing. He failed to report. As a result of his behavior, he has been placed on a "last chance contract" through Pioneer Counseling for his drug treatment.

Mr. Rodriguez has been employed full-time through LCD Exposition Services since January 30, 2010. Prior to this time, he was unemployed for approximately 4 months. A sanction of 60 days home confinement will address the violation behavior, while allowing him to remain employed and active in drug treatment.
